Dealer remarks

This Audi won't be on the lot long! It offers the latest in technological innovation and style. The engine breathes better thanks to a turbocharger, improving both performance and economy. Audi prioritized handling and performance with features such as: adjustable headrests in all seating positions, turn signal indicator mirrors, and leather upholstery. Smooth gearshifts are achieved thanks to the refined 6 cylinder engine, and load leveling rear suspension maintains a comfortable ride. Our experienced sales staff is eager to share its knowledge and enthusiasm with you. We'd be happy to answer any questions that you may have. We are here to help you.
