Dealer remarks

Discerning drivers will appreciate the 2014 Audi RS 5!

It delivers style and power in a single package! This 2 door, 4 passenger convertible still has fewer than 60,000 miles! Top features include a power convertible top, a built-in garage door transmitter, a headlight cleaning system, and power seats. A 4.2 liter V-8 engine pairs with a sophisticated 7 speed automatic transmission, and for added security, dynamic Stability Control supplements the drivetrain.

Come down to our dealership, allow us to demonstrate our commitment to excellence!
