## Dealer remarks

---

Check out this 2020!

It just arrived on our lot, and surely won't be here long! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. This 4 door, 5 passenger sedan still has less than 25,000 miles! Audi prioritized fit and finish as evidenced by: a leather steering wheel, rain sensing wipers, and remote keyless entry.

We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Please don't hesitate to give us a call.
