## Dealer remarks

---

This vehicle won't be on the lot long!

A sporty sedan seating as many as 5 occupants with ease! A turbocharger further enhances performance, while also preserving fuel economy. Top features include heated front seats, leather upholstery, front dual-zone air conditioning, and more. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

Our sales staff will help you find the vehicle that you've been searching for. We'd be happy to answer any questions that you may have. Come on in and take a test drive!
