Reviews:

* If you find the Mercedes-Benz E-Class too stodgy and the BMW 5 Series too sterile, you might fall in love with the 2013 Audi A6. Its design is rich but contemporary, tech options are category-leading and it strikes an impressive balance of around-town ease and at-the-limits poise. Source: KBB.com

* Finely finished interior; plenty of technology features; more driver engagement than competitors; strong, supercharged V6; fuel-efficient base four-cylinder engine. Source: Edmunds
