In their original incarnation, SUVs were chiefly owned by folks who valued "utility" above "sport." Not anymore! The Audi Q5 Premium Plus redefines the SUV and makes the perfect "all around" family companion. Sophistication & understated luxury comes standard on this Audi Q5 Premium Plus. Well-known by many, the Q5 has become a household name in the realm of quality and prestige.

When driving an all wheel drive vehicle, such as this Audi Q5 Premium Plus, superior acceleration, traction, and control come standard.

Buying a new car isn't something you can really do off the cuff. It's a long-term commitment. You're going to be spending almost every day driving it, for many years to come. So, it's important that you don't get just any car, but one with which you really click.

Audi Peabody will take the time to get to know what you want, and work *with* you to ensure that's exactly what you have when you leave. That holds just as true for used car customers as it does for new Audi customers. If you want to be pressured into a purchase, you had best go elsewhere.

In addition to helping drivers find the perfect Audi match, Audi Peabody also boasts a state-of-the-art auto repair shop where our highly skilled team of technicians perform routine maintenance as well as other services, such as auto-glass repairs, transmission repairs, and wheel repairs. And, for drivers who prefer to work on their Audi themselves, we have a variety of manufacturer-certified parts (i.e., oil filters, batteries, windshield wipers...).

To learn more about Audi Peabody, our impressive lineup of new Q3, Q5, A3, A4, A6, and used models, or rave-worthy service, contact us today. Or visit us in person. We're conveniently located at 252 Andover St Peabody, Massachusetts.
