8N6	Rain/light sensor for automatic windshield wipers and headlights
9ZX	BLUETOOTH® wireless technology preparation for compatible devices

Dealer remarks

For \$30,495 you could buy a new Toyota Camry, Honda Accord or...a Hyundai Sonata , and they wouldn't be the top of the line and none of them would have all wheel drive.. OR.... for the same \$30,495, you can be driving a 14.,000 mile virtually new 2018 Audi A-4 Quattro... Quattro all wheel drive. So this is what you want to consider. This Audi A-4 is Audi Certified, so it's fully reconditioned and then has a one year unlimited warranty on top of the balance of the factory warranty. Then the features... leather interior, full power, power sunroof, memory driver's seat, satellite radio, heated auto dimming mirrors, Led lights, S-Line trim , backup camera, App-Connect, Homelink to open your garage from your car, a ton of safety features, and much more. It's absolutely gorgeous in Monsoon Gray with Nougat Brown leather.... The bottom line, YOUR DECISION....a new car that won't thrill you or for the same \$, a true Audi that you will love every time you get behind the wheel.
