Only the CARFAX Buyback Guarantee can offer you the comfort of knowing you made the right purchase. Treat yourself to an SUV that surrounds you with all the comfort and conveniences of a luxury sedan.

Today's luxury vehicle is not just about opulence. It's about a perfect balance of performance, comfort and attention to detail. This 2015 Audi Q5 Premium Plus is the perfect example of the modern luxury. Comfort. Performance. Safety. Enjoy all three with this well-appointed AWD 2015 Audi.

This 2015 Audi Q5 has such low mileage it has been parked more than driven.

Buying a new car isn't something you can really do off the cuff. It's a long-term commitment. You're going to be spending almost every day driving it, for many years to come. So, it's important that you don't get just any car, but one with which you really click.

Audi Peabody will take the time to get to know what you want, and work *with* you to ensure that's exactly what you have when you leave. That holds just as true for used car customers as it does for new Audi customers. If you want to be pressured into a purchase, you had best go elsewhere.

In addition to helping drivers find the perfect Audi match, Audi Peabody also boasts a state-of-the-art auto repair shop where our highly skilled team of technicians perform routine maintenance as well as other services, such as auto-glass repairs, transmission repairs, and wheel repairs. And, for drivers who prefer to work on their Audi themselves, we have a variety of manufacturer-certified parts (i.e., oil filters, batteries, windshield wipers...).

To learn more about Audi Peabody, our impressive lineup of new Q3, Q5, A3, A4, A6, and used models, or rave-worthy service, contact us today. Or visit us in person. We're conveniently located at 252 Andover St Peabody, Massachusetts.
