## Dealer remarks

---

You won't want to miss this excellent value!

Distinctive design and opulent equipment are standard. A turbocharger is also included as an economical means of increasing performance. With just over 30,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. All of the following features are included: a tachometer, heated door mirrors, and the power moon roof opens up the cabin to the natural environment. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

You will have a pleasant shopping experience that is fun, informative, and never high pressured. Stop by our dealership or give us a call for more information.
