## Dealer remarks

---

This Audi won't be on the lot long!

This vehicle hits the sweet spot, merging extravagance with rock solid off-road manners! A turbocharger further enhances performance, while also preserving fuel economy. Audi prioritized handling and performance with features such as: power front seats, cruise control, and leather upholstery. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

Our experienced sales staff is eager to share its knowledge and enthusiasm with you. We'd be happy to answer any questions that you may have. Stop by our dealership or give us a call for more information.
