A LITTLE ABOUT US: Unlike most dealers we keep all of our trade in vehicles from our New Audi sales, and then offer them to the public at or near dealer wholesale auction prices. We run all of our trade in cars through the shop and perform a Basic Safety Check Only. Give us a call we are happy to do a fresh walk around and answer any questions you may have about the car as you are on the phone! Our goal is to offer these cars at prices which are usually the least expensive or nearly the least expensive on the internet with very little mark-up, at or near wholesale prices. We are experts in shipping and financing, give us a call to schedule your test drive today! 610-649-3200.
