## Dealer remarks

---

This Audi won't be on the lot long!

An awesome price considering its low mileage! With fewer than 15,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized handling and performance with features such as: front and rear reading lights, a power seat, and the power moon roof opens up the cabin to the natural environment. Smooth gearshifts are achieved thanks to the refined 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

We pride ourselves in consistently exceeding our customer's expectations. Stop by our dealership or give us a call for more information.
