Dealer remarks

Check out this 2018!

First and foremost is the striking exterior. Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. With fewer than 35,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized handling and performance with features such as: power front seats, high intensity discharge headlights, and much more. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

We pride ourselves on providing excellent customer service. Stop by our dealership or give us a call for more information.
