## Dealer remarks

---

What a great deal on this 2019 Audi!

An all capable and supremely stylish package! A turbocharger is also included as an economical means of increasing performance. With just over 40,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi infused the interior with top shelf amenities, such as: power door mirrors, power windows, and power front seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

We pride ourselves in the quality that we offer on all of our vehicles. Stop by our dealership or give us a call for more information.

## Further information (Disclaimer)

<sup>1</sup> Top track speed electronically limited in the U.S. Always obey speed and traffic laws.

<sup>2</sup> Gasoline cars: Never drive until the tank is completely empty. The irregular supply of fuel that results from that can cause engine misfires. Uncombusted fuel will then enter the exhaust system. This can cause overheating and damage to the catalytic converter. Electric cars: Never drive the battery down to a completely empty state of charge.
