Standard features

Dealer remarks

What a fantastic deal! This vehicle won't be on the lot long!

It delivers plenty of power and excellent gas mileage! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. This vehicle has achieved Certified Pre-Owned status, by passing Audi's comprehensive certification process, including a comprehensive 300-plus-point inspection! With less than 10,000 miles on the odometer, this vehicle combines dashing good looks with great efficiency and utility! All of the premium features expected of an Audi are offered, including: power front seats, an automatic dimming rear-view mirror, and leather upholstery. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

Our aim is to provide our customers with the best prices and service at all times. Stop by our dealership or give us a call for more information.

Technical Specifications

(1/2)

Engineering | Performance

Engine type	2.0-liter four-cylinder
