Dealer remarks

How about this great vehicle!

It delivers an exhilarating ride without compromising safety and comfort! A turbocharger is also included as an economical means of increasing performance. With less than 10,000 miles on the odometer, this versatile and environmentally responsible vehicle provides both comfort and driving innovation! Audi prioritized fit and finish as evidenced by: heated rear seats, heated steering wheel, and power seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, providing a smooth and predictable driving experience. Well tuned suspension and stability control deliver a spirited, yet composed, ride and drive
