Dealer remarks

Don't miss this great Audi!

It just arrived on our lot, and surely won't be here long! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. With just over 15,000 miles on the odometer, you'll be sure to appreciate this model's condition and value. Audi prioritized fit and finish as evidenced by: power front seats, speed sensitive wipers, and remote keyless entry. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, providing a smooth and predictable driving experience. Well tuned suspension and stability control deliver a spirited, yet composed, ride and drive
