Dealer remarks

Don't miss this great Audi! This classically-rendered vehicle is a triumph, continuing to deliver top-notch execution in the luxury segment! The engine breathes better thanks to a turbocharger, improving both performance and economy. Audi prioritized handling and performance with features such as: heated seats, lane departure warning, and leather upholstery. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We have the vehicle you've been searching for at a price you can afford. Stop by our dealership or give us a call for more information.
