Standard features

Dealer remarks

You won't want to miss this excellent value!

This is a superb vehicle at an affordable price! A turbocharger further enhances performance, while also preserving fuel economy. With less than 30,000 miles on the odometer, this versatile and environmentally responsible vehicle provides both comfort and driving innovation! Audi infused the interior with top shelf amenities, such as: power front seats, a power convertible roof, and air conditioning. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

We pride ourselves in the quality that we offer on all of our vehicles. Stop by our dealership or give us a call for more information.
