Audi Temecula is part of the Hoehn Motors family of dealerships that have been serving the Southern California area for 40 years. For over 80 years and four generations, Hoehn Motors has always been about one thing - world class. From our cars to our sales staff to our service, we want you to experience the best the world has to offer. In addition to Audi Temecula, our Hoehn Motors family invites you to visit any of our 11 Carlsbad dealerships. The Hoehn family has been in the car business since Hoehn Chevrolet was founded in 1928 by Theodore W. Hoehn. In 1938 the company, headquartered in Memphis, Tennessee was transferred to Theodore W. "Bill" Hoehn, Junior. After moving to La Jolla, California for what turned out to be a short-lived retirement, Bill founded Hoehn Motors in Carlsbad in 1975. Bill's two sons Bill and Bob now own the business. Today, there is a fourth generation of extended family working in the business. Today, the Hoehn name represents Acura, Audi, Buick, Cadillac, GMC, Jaguar, Land Rover, Porsche, Sprinter and the original brands, Mercedes-Benz and Honda.
