Dealer remarks

Looking for a used car at an affordable price? Don't miss this great Audi!

It delivers plenty of power and excellent gas mileage! A turbocharger is also included as an economical means of increasing performance. With fewer than 5,000 miles on the odometer, this 4 door sedan prioritizes comfort, safety and convenience. Audi prioritized comfort and style by including: front and rear reading lights, power moon roof, and cruise control. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our experienced sales staff is eager to share its knowledge and enthusiasm with you. We'd be happy to answer any questions that you may have. Call now to schedule a test drive.
