## Dealer remarks

---

This Audi won't be on the lot long!

First and foremost is the striking exterior. The engine breathes better thanks to a turbocharger, improving both performance and economy. With fewer than 15,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized handling and performance with features such as: heated seats, turn signal indicator mirrors, and power seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

We have a skilled and knowledgeable sales staff with many years of experience satisfying our customers needs. We'd be happy to answer any questions that you may have. Call now to schedule a test drive.
