- | | |
|-----|---|
| 9S5 | Driver information system |
| 8N6 | Rain/light sensor for automatic windshield wipers and headlights |
| 9ZX | BLUETOOTH® wireless technology preparation for compatible devices |

Dealer remarks

On your MARK... get SET.... CALL! I can't believe we have a gorgeous 2018 Audi A-3 Convertible... and I really can't believe that we have a 2018 Audi A-3 Convertible with Audi Certification for only \$27,995... Yup, stunning Cosmos Blue convertible with Gray leather and only 28,000 miles.

Here's the skinny... our used car manager, Mr. Jim doesn't sleep, so when this roadster appeared on the Audi website at 4:00 AM in the morning, he pounced on it.. And yes, it's Front Wheel Drive and yes it's coming from Florida, where they are all FWD..but ladies and gentlemen , boys and girls of all ages, this is about \$6,000 ..yes \$6k less than the normal Quattro price, so it's a drop dead steal.

Fully reconditioned, balance of the factory warranty and THEN an additional one year unlimited mileage warranty is included in "the deal."

This convertible is a head turner and well equipped with full power, convenience package, 18" alloy wheels, app connect, Apple car play, LED lights, backup camera ~~and more.~~

Not everyone needs Quattro... this is a front wheel drive convertible that will get you through most of the bad weather and you probably aren't putting the top down in a snow storm.

So if you thought about a convertible or you promised yourself a convertible, this is an amazing opportunity... Only note: it's coming from FLA, so probably a few weeks out... but if you're in, leave a refundable deposit, because you're not going to want to lose this one!!
