Dealer remarks

Check out this 2018!

First and foremost is the striking exterior. A turbocharger is also included as an economical means of increasing performance. With just over 15,000 miles on the odometer, this 4 door sedan prioritizes comfort, safety and convenience. Audi prioritized handling and performance with features such as: high intensity discharge headlights, power moon roof, and leather upholstery. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

We pride ourselves on providing excellent customer service. Please don't hesitate to give us a call.
