## Dealer remarks

---

2015 Audi A5 2.0T Premium Plus 2.0L 4-Cylinder TFSI quattro Passed My Auto Import rigorous pre-delivery Inspection, Professionally detailed for delivery, Full tank of fuel for delivery, Professionally Maintained and inspected on the lot., quattro. 21/29 City/Highway MPG Reviews:

\* If you think your car should reflect your life, and you live a particularly beautiful life, then the Audi A5 Coupe and Cabriolet are your mirror. The fact that itâ€™s a terrific all-around driving experience conducted in sumptuous luxury is practically a bonus. Source: KBB.com

\* Classy styling; confident handling; generously equipped; frugal fuel economy. Source: Edmunds

\* In 2015, the Audi A5 Coupe remains a head-turner. Its xenon LED, automatic headlights, aluminum doorsill inlays and panoramic tilting sunroof are standout features. It also has fancier attributes such as heated windshield nozzles, power-adjusted heated exterior side mirrors and the always sharp Singleframe grille. The instrument panel is angled toward the driver, with ergonomically designed controls and a leather-wrapped multifunction sport steering wheel with tilt, telescopic and manual adjustment falling naturally to hand. All occupants enjoy the benefits of plush leather seating surfaces and three-zone automatic climate control. The often-imitated Audi 2.0-liter TFSI four-cylinder engine delivers power and torque smoothly over a broad range of engine speeds through direct fuel injection, intercooled turbocharging and the Audi valvelift system. Audi quattro all-wheel drive system adjusts the power continuously between the axles, delivering superior traction in nearly any condition. A suite of available technologies makes the A5 a true champion of progress. Audi connects with Google Earth imagery and Wi-Fi connectivity for up to eight passenger devices allows multiple ways to stay connected. You can also access information and navigate entirely with your voice in just a few commands. Audi Concert Radio features ten speakers, a single CD player with mp3 playback capability and iPod integration creating soundstage quality. The A5 is also incredibly safe as it is equipped with driver and front passenger airbags, front thorax side airbags, knee and head curtains, safety belt reminders, and an anti-theft alarm with immobilizer.
