Dealer remarks

Looking for a used car at an affordable price? This Audi won't be on the lot long!

It delivers style and power in a single package! A turbocharger is also included as an economical means of increasing performance. With fewer than 25,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi infused the interior with top shelf amenities, such as: heated seats, a roof rack, and power front seats. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

We have a skilled and knowledgeable sales staff with many years of experience satisfying our customers needs. We'd be happy to answer any questions that you may have. Please don't hesitate to give us a call.
