Reviews:

\* The 2013 Audi A5 series provides the kind of grace and beauty seemingly lost on so many cars today, yet doesn't sacrifice comfort or confidence in the process. Fuel economy and power go hand-in-hand with the A5, and most models can be equipped with a manual transmission. Source: KBB.com

\* Classy styling; confident handling; uptown interior; frugal fuel economy; available all-wheel drive. Source: Edmunds
