---

## Infotainment and Driver Assistance

9VD	Audi concert radio with ten speakers and single CD player with MP3 playback capability
9Q7	Multi-function display/on-board computer
8UQ	Audi music interface with iPod® integration

---

## Dealer remarks

---

You're going to love the 2013 Audi A5!

This technologically advanced compact car combines modern exterior styling with exemplary fuel efficiency and cleanliness! A turbocharger is also included as an economical means of increasing performance. Top features include front fog lights, a leather steering wheel, front bucket seats, and power windows. Audi made sure to keep road-handling and sportiness at the top of it's priority list. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

We pride ourselves in the quality that we offer on all of our vehicles. Stop by our dealership or give us a call for more information.

# Technical Specifications

(1/2)

## Engineering | Performance
