Dealer remarks

This Audi won't be on the lot long!

It delivers style and power in a single package! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. With fewer than 25,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized handling and performance with features such as: high intensity discharge headlights, power moon roof, and power front seats. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Stop by our dealership or give us a call for more information.
