Audi Certified Pre-owned Benefits Includes:

Vehicle History Report

-Only vehicles with an approved vehicle history report are considered for the Audi Certified Pre-owned Program.

Comprehensive Dealer Inspection And Certification Process

-Each vehicle undergoes a comprehensive and extensive dealer inspection by an Audi trained technician.

Warranty Coverage

-If there is remaining coverage from the Audi New Vehicle Limited Warranty at the time of Certified Pre-owned Purchase, the Audi New Vehicle Limited Warranty provides coverage on the Certified Pre-owned Vehicle until its expiration, either four years from the in service date or at 50,000 miles, whichever occurs first. When the Audi New Vehicle Limited Warranty expires, the Audi Certified Pre-owned Limited Warranty becomes effective and provides coverage for a period of two years or 50,000 miles, whichever occurs first.

Roadside Assistance

-Confidence to venture behind the wheel with 24-hour roadside assistance.

Exclusive Offers

-Inquire about available offers from Audi and/or Audi Financial Services.

We respond to all online inquiries. If you provide an email address with your inquiry, please check your spam folder as our return response information may be moved there by your email provider. Although, here at Audi Middleburg Heights we strive to make sure our online advertising is 100% accurate, errors or omissions may occur from time to time. Please check availability, pricing and options before finalizing your purchase.

Further information (Disclaimer)

¹ Top track speed electronically limited in the U.S. Always obey speed and traffic laws.

² Gasoline cars: Never drive until the tank is completely empty. The irregular supply of fuel that results from that can cause engine misfires. Uncombusted fuel will then enter the exhaust system. This can cause overheating and damage to the catalytic converter. Electric cars: Never drive the battery down to a completely empty state of charge.
