---

## Dealer remarks

---

Come test drive this 2014 Audi S8!

Classic styling and large sedan proportions yield a distinguished yet sensible appearance. Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. This 4 door, 5 passenger sedan just recently passed the 60,000 mile mark! Top features include rain sensing wipers, a power seat, telescoping steering wheel, and a blind spot monitoring system. Under the hood you'll find an 8 cylinder engine with more than 400 horsepower, and load leveling rear suspension maintains a comfortable ride.

We pride ourselves in the quality that we offer on all of our vehicles. Stop by our dealership or give us a call for more information.
