Dealer remarks

Check out this 2018!

An awesome price considering its low mileage! The engine breathes better thanks to a turbocharger, improving both performance and economy. With just over 20,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized handling and performance with features such as: heated seats, rain sensing wipers, and the power moon roof opens up the cabin to the natural environment. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

We pride ourselves on providing excellent customer service. Stop by our dealership or give us a call for more information.
