As the largest Audi dealership in the Eastern region, we proudly offer the largest selection of both new and certified pre-owned vehicles in the area. But when you choose to come to Biener Audi, you're getting so much more than just a fantastic selection: You're also getting 80-plus years of customer service experience and a low-pressure car-buying experience. We've even been recognized for our outstanding service multiple times, with an Audi Magna Society award, the 2015 New York Audi Dealer of the Year title from DealerRater.com and an International Five Star Diamond Award from the American Academy of Hospitality Sciences. When you come to our Audi dealership in Great Neck, NY, you'll see that we're excited to help you, from one family to another, one family at a time. Need another reason to pay us a visit? Here's why you should come to Biener Audi: By shopping with us, you'll have a positive and honest experience. When you come in for your scheduled service appointment, you'll receive a complimentary car wash. You'll never have to worry when you need a rental that's up to your high standards since we have the largest Audi loaner car fleet in the region, right here at our dealership. We have a drive-in, climate-controlled service drive for your comfort and convenience. We offer a free local shuttle service for service customers who need to go about their busy days. If you choose to wait, our service waiting area is comfortable and spacious, with HDTV, laptop stations, coffee, snacks, refreshments and free Wi-Fi. We offer a state-of-the-art service facility with factory-trained technicians and support staff who can answer all your questions, and have extended weekday service pickup hours for your convenience.

Further information (Disclaimer)

¹ Top track speed electronically limited in the U.S. Always obey speed and traffic laws.

² Gasoline cars: Never drive until the tank is completely empty. The irregular supply of fuel that results from that can cause engine misfires. Uncombusted fuel will then enter the exhaust system. This can cause overheating and damage to the catalytic converter. Electric cars: Never drive the battery down to a completely empty state of charge.
