## Dealer remarks

---

Looking for a used car at an affordable price? This Audi won't be on the lot long!

Packed with features and truly a pleasure to drive! A turbocharger further enhances performance, while also preserving fuel economy. With less than 10,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized handling and performance with features such as: high intensity discharge headlights, power door mirrors and heated door mirrors, and air conditioning. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

You will have a pleasant shopping experience that is fun, informative, and never high pressured. Please don't hesitate to give us a call.
